About Us

At Traffic Depot Signs & Safety we are your family owned and operated Atlantic Canada traffic supply experts. Located in Fredericton, New Brunswick we are proud to serve road builders, highway agencies, private contractors, property management agencies, towns, villages, first nations communities, and cities across New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland, and beyond Atlantic Canada.

Our commitment to manufacture and provide top quality traffic signs, sign posts & hardware, traffic safety products, and electronic traffic devices is responsible for the growth we are experiencing, and therefore has allowed us to further expand, providing even more of the best products in the industry at very competitive prices with exceptional service.

We put all our traffic safety products through an extreme environmental testing to ensure they can handle harsh Canadian conditions such as extreme heat, extreme cold, salt and corrosive conditions, and strong UV rays. We work closely with our traffic safety product manufacturers to make sure we are always providing the best products that will serve our clients for many years to come.

All of the traffic signs we produce meet all (WATCM) Work Area Traffic Control Manuals and (MUTCDC) Manual of Uniform Traffic Control Devices Canada (TAC) standards & requirements.

Want to brand your traffic signs with your company or municipal logo we can do that at no extra charge! We can also add it to any of our traffic control products.

The Traffic Depot Difference

3M Certified Fabricator

To ensure the highest quality signs possible, we use only 3M reflective sheeting to produce our signs. We are proud to be a 3M Certified Traffic Sign Fabricator meaning we pass a very strict audit and quality control process annually that ensures we are using the latest technologies and equipment to produce signs that meet and exceed 3M's strict industry standards. We stand behind all of our work with the best warranties in the industry up to 12 years.

Our traffic signs come with a clear 3M anti-graffiti film to protect the sign against vandalism such as graffiti and stickers. Just simply use a graffiti remover product, wipe off, and the sign will be good as new.

Design

We use proper fonts and symbols set out by the Department of Transportation and the Transportation Association of Canada (TAC). Proper fonts and sizing allows signs to be more visible from a greater distance making our signs much more effective. For custom signage we provide design proofs to our clients that way they get to choose what works best for them.

Production

From the time an order is placed we start production immediately, our production times on average are 1-2 business days. We can also accommodate rush orders to meet your project deadlines.

We offer a 24/7 emergency production service because we understand sometimes unexpected events happen like a road flooding, last minute detour or a stop sign goes missing. We've got you covered.

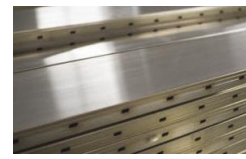

Inventory

We have a large in house inventory of traffic safety products, sign posts, hardware, and electronic traffic devices that are listed on our website and in this catalogue. We make sure we always have stock of products you need and rely on to keep you safe. We are always looking for new and innovative product lines to stock and we work very closely with our product manufacturers to ensure we are offering the most durable and long lasting products.

Traffic Sign Sizes & Materials

Traffic Delineators

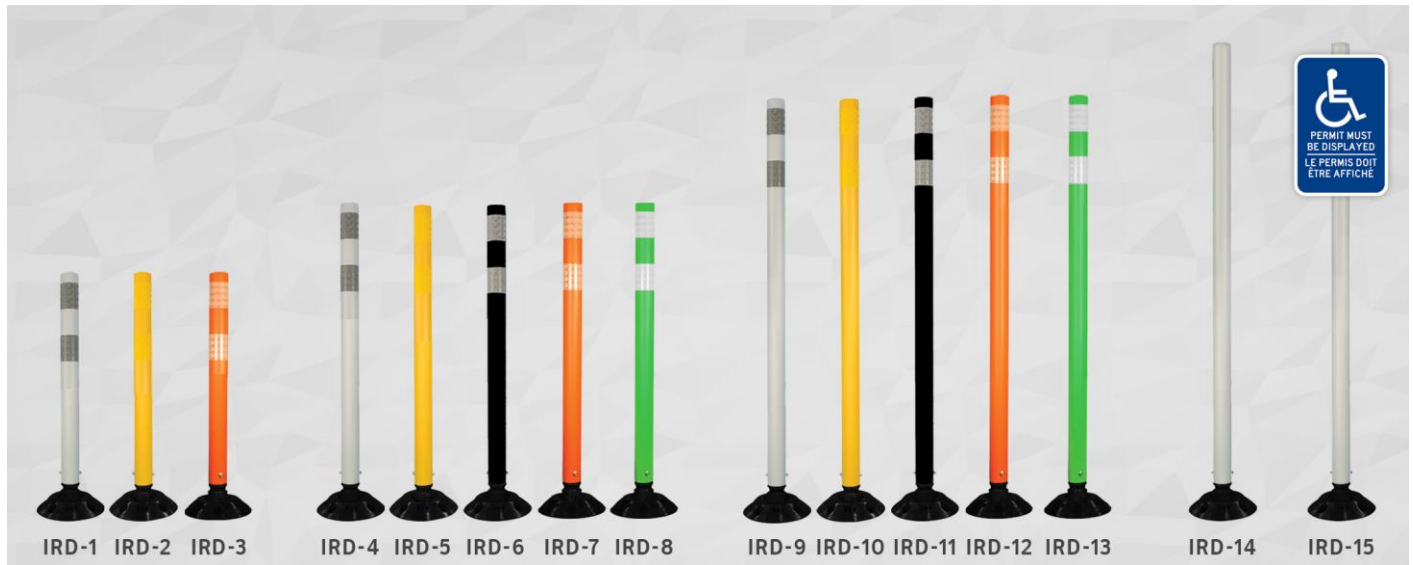

Traffic Delineator Posts

- Superior temperature resistance in hot and cold environments
- UV / Fade Resistant
- Two pre-applied 4" high intensity reflective tape bands
- Raised edges around reflective bands provides abrasion protection
- Loop top allows the delineator to be easily handled
- Bottom grip slot on loop top delineator (**TD-LT1 & TD-LT2**) allows post to be picked up easier
- Optional - Add an extra reflective collar (**TD-LT2**) with your municipal or company logo printed on it.
- Rubber 15lb base allows for higher wind resistance

SKU#	DESCRIPTION	REFLECTIVE BANDS	DIMENSIONS	WEIGHT	PALLET QTY
TD-LT1	Loop Top Delineator	2 - 4" HI reflective bands	4.5"DIA x 48"H	1.6 lbs	100
TD-LT2	Loop Top Delineator	3 - 4" HI reflective bands & logo printed	4.5"DIA x 48"H	1.6 lbs	100

Windmaster Sign Stands

Windmaster Sign Stands

- Aircraft aluminum uprights and aluminum legs.
- Rubber caps on legs for extra traction.
- Steel base and springs specially coated to withstand 500+ hours of salt spray
- Rigid sign brackets are able to hold ½" Plywood, Corrugated Plastic, and Aluminum signs
- Roll-up sign brackets are able to quickly clip on roll up signs of all shapes and sizes
- Comes with flag bracket to mount 3 wooden dowel safety flags
- Telescoping legs for better wind resistance
- Three leg locking positions for stability on uneven terrain

SKU#	DESCRIPTION	MINIMUM SIGN TO GROUND MOUNTING HEIGHT	DIMENSIONS	WEIGHT	PALLET QTY

Pavement Tapes, Markers, & Paints

Temporary Pavement Tape

- 4" x 100 yard roll comes with a weather resistant adhesive
- Foil liner for easy application to pavement

Temporary Overlay Marker (TOM)

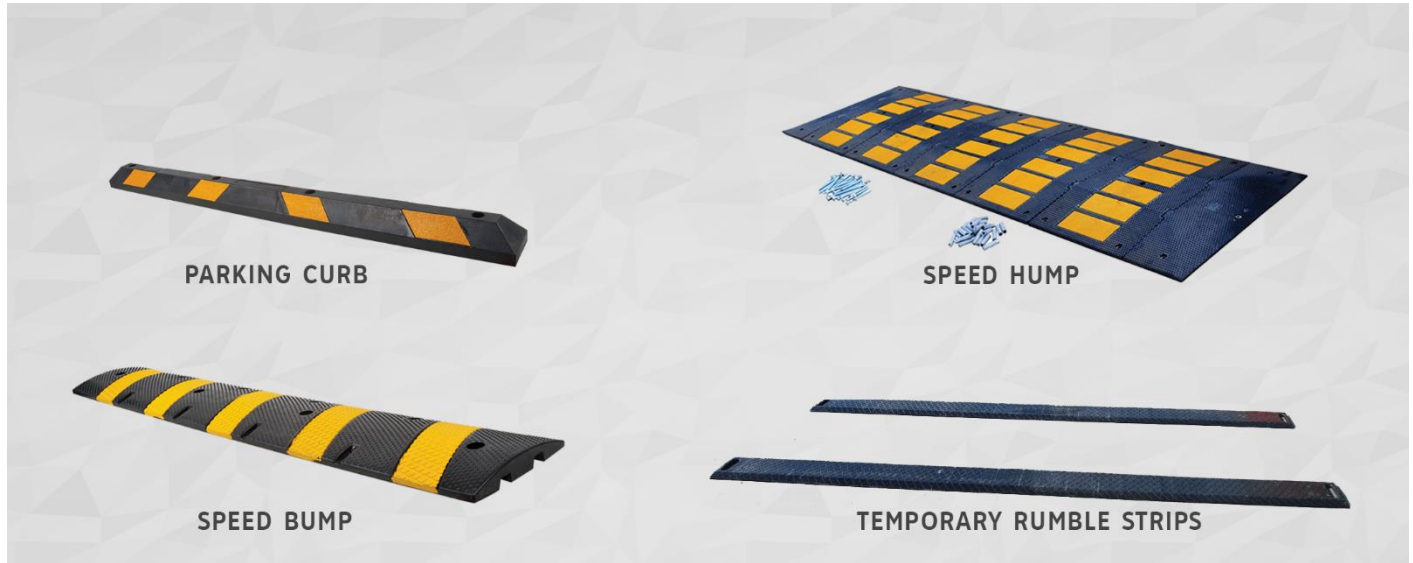

- High tack butyl adhesive pad, that provides for "peel-and-stick" quick installation
- Built tough to stand up to the demands of construction work zones

Pavement Marking Spray Paint

- Fast drying; dry to the touch in less than 10 minutes
- Create bold, durable lines with inverted top
- Adheres to uneven and hot surfaces; can be sprayed in the cold

SKU#	DESCRIPTION	DIMENSIONS	CASE QTY
PTW-1	White Temporary Pavement Tape	4" x 100yds	2

Driver Feedback Radar Signs

Driver Feedback Radar Signs

- Offers the cost benefit and compact footprint of an entry-level sign with MUTCD approved 12" digits.
- 1 Year cloud connectivity included
- Compact sign with smaller 12" digits
- Lightweight, compact design, .125" Thickness on the Low Profile model.
- Dual-color 3 digit LED display on 12" & 15" Models
- Strobe activation/deactivation available
- AC, battery or solar power
- Traffic data and reports & Cloud remote access
- Compatible with square, round, and wood 4x4 sign posts.
